

Paver Report

July 20, 2026

- Pavers are purchased from **Bricks R Us**.
- Our sales contact is Kim Fields.
- Bricksrus.com
- 305-931-7773

We currently own 84 pavers valued at \$1581. Some charges were paid against our credit on the last order. \$14 added fuel charge and \$20 for use of heart logos on two pavers. In the future this charge should be passed on to the customer.

Two orders were placed during this fiscal year.

March 2026- 15 pavers

July 2026- 20 pavers

Both orders are waiting for the TAMU facilities department to install these. As soon as they are installed, we will need to send an email to each of the purchasers indicating that the pavers are installed in the plaza. We have no control on when they will be installed.

Total funds received from the sale of pavers for 2025-2026 fiscal year is \$4800. Included in these orders are 3 pavers that we absorbed the cost on, the presidents brick and 2 for the Annual Meeting silent auction.

My recommendation going forward is to have 3 periods of promoting sales. Timing the initiatives to graduations make sense. Social media and emails have been the most successful ways of promoting sales. The rationale is that these make perfect gifts- think graduation, Christmas, Mother's Day, Father's Day, birthdays, memorials, retirement and more. New Board Members often will purchase pavers upon joining the Friends Board.

Respectfully submitted,

Peggy Nolan
